ABOUT

Tech Utsav is an intercollegiate technical fest organized by the Department of Computer Science and Computer Applications, SRM Institute of Science and Technology offers a variety of events associated with technology, gaming, quizzes and art. With the aim to provide a platform to the students to use and show their technical power, the fest stretches for about two days from 28th to 29th February. The fest was started in the year 2014 with a slogan, "Let's get Technified". So, if you really want to see the magic of technology, this is the place for you.

SCHEDULE
